Work through these questions together as a group. Turn in one sheet per group at the end of class.

(1) Apple purchased the rights to produce a full-length film adaptation of "Dolly" in 2021 (true story[1]). Choose four important characters from the short story and the actors you would want to play those characters in the film.

Character	*Actor*

(2) Suppose Apple's marketing team asks for a film title that is memorable and connected to the story's theme(s). It cannot be Dolly. Suggest two potential alternative film titles.

[1] Justin Kroll, "Apple Studios Lands Hot Package 'Dolly' With Florence Pugh On Board To Star And Vanessa Taylor And Drew Pearce Penning The Script," *Deadline Hollywood*, February 10, 2021.

(3) Write a 2–3 sentence **log line** for your proposed film adaptation of "Dolly." A log line is a brief summary "that states the central conflict of the story, often providing both a synopsis of the story's plot, and an emotional 'hook' to stimulate interest" (Wikipedia). For example, a log line for *Jurassic Park* (1993) was... "An industrialist invites some experts to visit his theme park of cloned dinosaurs. After a power failure, the creatures run loose, putting everyone's lives, including his grandchildren's, in danger."
